# Submitting a solo in SmartMusic for the AMP National Solo Festival
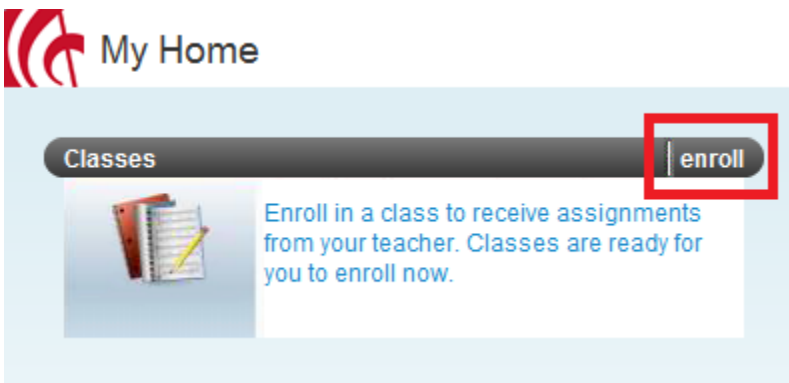

1. Select your piece inside SmartMusic and practice until you have a take that you like.

2. Click **MP3** and save the recording to your Desktop.

3. On the SmartMusic home screen, click **Assignment Log In** in the upper-right.

4. Log in to your existing SmartMusic account. *If you have previously enrolled in a class through SmartMusic, skip to step #7 below*. Otherwise, click **Student** when you are asked to describe yourself and fill out the requested information.

5. When picking a school, you will need to enter ZIP code **46202** and search. You will see the **AMP National Solo Festival** appear as a choice – click it, then click **Continue**.

6. Complete the requested information and click **Done**.

7. On your student home screen, click **Enroll.**

8. Scroll down the list until you find your **instrument and correct division name**, then click it.

9. Open the assignment that appears and attach the MP3 file you created. In the "Response" section, please type the title of the piece you're submitting and the composer.
