McDonald's:

Donation. Received 250 plain McChicken sandwiches. McDonald's supplied mayo packets. We had leftover ketchup packets from our Invitational. Continued to use up pickles left from Steak n Shake donation. *All sandwiches eaten*

Chips:

Had chips left from our Invitational, so no purchase by us or donation by parents. *Had some of them left after this meal; approximately 60. Did not offer seconds.*

Baked Beans:

Purchased 3 large cans from Sam's Club. Put them in roaster at my house at noon; left for school at 2:00. Drained liquid from one of the cans; should have drained liquid from two of them. Covered the roaster pan with extra-wide heavy-duty foil before placing lid on top. If you don't put the foil on there, too much evaporation and stuff dries out. *Had some leftover but was right amount to purchase.*

Apple slices:

Asked for donations of 10 3-pound bags of apples. Had only 4 apples left!

Rice Krispie Treats:

Boosters purchased 8 24-ct boxes from Sam's Club. *Had a few leftover; did not offer seconds. Can use the leftovers at onsite competition meal.*
