

## Conflict of Interest Policy Acknowledgement

I hereby attest that I have received a copy of the Fishers High School Band Boosters' conflict of interest policy and have read and understand the policy. I recognize the purpose of the policy is to protect:

- The Boosters' tax-exempt status when it is contemplating entering into a transaction that might benefit the private interests of its officers, band directors or committee chairs;
- the integrity of the executive board's decision-making process and the confidence our members have in that process;
- the reputations of our officers, band directors and committee chairs; and
- the interests of the organization as a whole.

In order to achieve these objectives, I hereby agree to comply with the Boosters' conflict of interest policy in all respects. If I become aware that I or my family have any potential financial interest in any transaction or arrangement involving the Boosters as described in the conflict of interest policy, I will immediately disclose that financial interest and all material facts related to that interest, to the executive board so that it can fairly determine if I have a conflict of interest and protect the organization's interests. Furthermore, I agree that I will not vote on any matter in which I have a financial interest.

At this time I do/do not (circle one) have any financial interest in any transaction or arrangement involving the Boosters. My financial interest is the following:
